- Six kids want to play a game that can only have four players.
- A kid at school always makes fun of your clothes.
- You and your friend got into an argument in art class because you basically made the same painting. She thinks you copied her, but you feel like she copied you.
- You got into a fight with a classmate during recess because you both wanted to pick players first for a game.
- A kid at school got rewarded for putting all the books away in the reading corner, but you're the one who actually did it.
